## ***"Tested and Proven SAT Prep!"***

**July 10<sup>th</sup> - July 21<sup>st</sup> and July 24<sup>th</sup> – August 4<sup>th</sup> 2017**

Our goal is to equip college-bound youth with the tools necessary for improved performance on the rigorous college entrance exam (SAT), opening the door for better college choices. The SAT prep will give disadvantaged youth from lower social-economic backgrounds access to opportunities that have been afforded to others of higher social- economic standing. The students will get free study materials and 10 days of intensive training.

During the SAT prep, the students will be taught the requisite fundamentals of Math and English as well as the techniques and strategies for test-taking. Students will benefit from assistance with writing college entrance essays. Additionally, each student

will be provided with SAT prep book. The real world value of this tutoring program is between \$1,000 and \$1,500 per student.

Our operating cost will be \$225 per student bringing our total budget to \$9,000.

We are excited to offer this program free for 40 students. We invite you to partner with us to help alleviate expenses. This will enable us to train students for a better future and as a result, impact generations.

Please make you tax deductible donation payable **RELUME Foundation Inc.**
